

17-February-2020

Dear ACTRA Manitoba Members, and
Members of the Film & Television Production Industry:

As you may know, the 2018 ACTRA Awards Gala at the MET was a tremendous success with 450 members and industry professionals in attendance. Seven actors – Andrea Del Campo, Darren Wall, Marina Stephenson Kerr, Dave Brown, Daina Leitold, BJ Verot and Jeff Strome received awards for their “Most Outstanding Performances”. *LOVESICK* and *STEGMAN IS DEAD* received the ACTRA Manitoba Award and Phyllis Laing received the Wayne Nicklas Award for her outstanding contribution to the industry.

Our next Awards Gala is on Saturday, October 3, 2020 at the Canadian Museum for Human Rights. Nominated performances will be coming from productions released or first screened in 2018 or 2019. We are looking forward to significant submissions due to the record number of productions during this time period.

OPEN FOR SUBMISSIONS.

Please think about the best performances, either by yourself or another member, in a short production, movie or TV episode released or screened for the first time in 2018 or 2019.

Members and Industry officials (producers, directors, broadcasters and distributors) may submit up to three (3) PRINCIPAL performances in any category per production, free of charge. Submissions must be sent using the attached form. The performer needs to be contracted in the production as a Principal or upgraded to Principal.

An eligible performance is one within a production released in the eligible time frame by a Member of ACTRA in good-standing at the time of submission and who was a Member of ACTRA Manitoba in good-standing at the time of production. Performances may also be submitted by Manitoba Members who were in productions shot in other jurisdictions released in the qualifying time period.

ACTRA Manitoba reserves the right to modify the nature and quantity of Awards after the submission deadline passes.

ACTRA Manitoba will accept submissions until April 17, 2020. An independent Jury will screen submissions and nominate up to five performances in each category. A second Jury will then

select the winning performances.

Please review the following list of Manitoba productions released in 2018 and 2019. Due to the scope and nature of our industry, our Branch office may not have a record of every production. This is especially true for short productions. If you know of a production not on this list, but should be, please call or email the office. We appreciate your input.
